

Ayush Kumar Singh

Full-Stack Developer

+91-7974248187 | ayushkumarsingh3006@gmail.com | LinkedIn | GitHub | Portfolio

Summary

Full-Stack Developer focused on building modern web applications using JavaScript, TypeScript, React.js, Next.js, Node.js, and Express.js. Experienced in developing full-stack applications with MongoDB and MySQL, implementing authentication and REST APIs, and integrating Generative AI and LLM APIs. Interested in software engineering, scalable applications, and solving real-world problems through technology.

Skills

Programming Languages: Java, JavaScript, TypeScript, SQL

Frontend: React.js, Next.js

Backend: Node.js, Express.js

Databases: MongoDB, MySQL

AI / ML: Generative AI, LLM APIs

Tools: Git, GitHub, Postman, OAuth 2.0, Vercel, Render

Projects

ResumePilot AI — TypeScript, Next.js, Node.js, MongoDB, Clerk, Groq API [Live Demo] [GitHub] 2026

- Built an AI-powered career platform featuring resume analysis, ATS matching, AI-driven resume improvements, and personalized recommendations.
- Developed advanced career tools including an AI Resume Builder, Mock Interview, Question Bank, Video Interview, and Resume History.
- Integrated Groq LLM APIs with Next.js and Node.js to generate AI-powered resume feedback, interview questions, and personalized career insights.
- Implemented Clerk authentication, MongoDB data persistence, report sharing, and deployment using Vercel.

Cravings — React.js, JavaScript, Node.js, Express.js, Cloudinary, JWT [Live Demo] [GitHub] 2026

- Built a MERN-based food delivery platform where users can browse restaurants, order food, and manage their profiles.
- Developed dedicated dashboards for customers, restaurants, riders, and administrators with role-specific functionality.
- Implemented backend APIs using Node.js and Express.js with JWT authentication and Cloudinary-based media management.

Achievements & Certifications

- **Hackinmotion 2026:** Top 5 Finalist in a 36-hour hackathon; led the team during development and competition.
- **Hackathon Leadership:** Led the development team through rapid ideation, implementation, debugging, and final project presentation under a 36-hour deadline.

Education

Sagar Institute of Research & Technology, Bhopal

B.Tech. in Computer Science and Engineering

2025 – 2029

CGPA: 6.5 / 10
